# THE LOCATION

IH Edinburgh Young Learner Centre is held in Newbattle Abbey College: a beautiful location full of character and interest, providing a well-equipped and comfortable learning environment.

Edinburgh's World Heritage Site covers almost 2 square miles and over 75% of all the buildings are listed (meaning they are of national importance and historical interest)

Edinburgh Castle sits on Castle Rock, a 700 million year old extinct volcano.

Newbattle Abbey College was originally a Cistercian monastery founded in 1140, it then became a stately home, before being gifted to the Scottish nation and becoming an educational institution. The college is eight miles south of Edinburgh and set in a campus with ornamental gardens and lawns.

It is an iconic building with a Great Hall, Old Library and spacious classrooms, with woodland walks and sports fields in the grounds.

## THE BRITISH COUNCIL

Care of students and safeguarding under 18s are both areas of strength in our British Council inspection.

“There is a genuine commitment to student welfare across the organisation, including a detailed welfare manual, welfare managers at each centre and an explicit student welfare role for house supervisors” said the British Council.

## YOUNG LEARNER ON-SITE

## SENIOR MANAGERS

All our young learner schools have four on-site senior managers:

- › Centre Manager, who oversees all aspects of the school
- › Director of Studies, who is responsible for the quality of the programmes and teacher development
- › Student Welfare Manager, who ensures the students are having a great time
- › Activity Manager, who runs the learning and social trips and activities.

All senior staff have student welfare training every year, in addition to professional development.

## TEACHERS, ACTIVITY LEADERS AND SUPPORT STAFF

All teachers have English language qualifications relevant to the courses they are teaching. The whole teaching team has a range of experience, knowledge and skills matched to the courses and the needs of the students.

The academic managers ensure day-to-day guidance and support for all teachers and they observe and monitor teachers' performance.

All our young learner staff have DBS checks and at least two references before they can work at our schools. We ensure a high number of our staff on site have first aid training.
