I love teaching Young Learners as I get the chance to come into contact with students from around the world with one goal: to improve their English.

Maria, Director of Studies

Course content

Unlike our other Young Learner English programmes, this course has English lessons in both the morning and in the afternoon: 21 hours of English tuition per week by a qualified English teacher. It is an intensive course across English reading, writing, listening and speaking skills.

It is not all hard work though – English Plus classes are lively, interactive and fun. Students are encouraged to speak English at all times, and benefit from using the language with others their own age in different social situations.

Students will have 15 hours of general English lessons with the rest of the school then six additional hours focused on improving their spoken English with an exam at the end of their course.

Students also participate in sports, arts and crafts, and other activities. Aimed at practising English through fun and teamwork, the English Plus programme proves that it is possible to work hard and still have fun!

Study trips are also a big part of the course, with one full-day and one half-day trip to places of interest in the UK included every week. Example trips include: a full-day trip to Manchester with a walking tour of the city and entry to the famous Old Trafford football stadium, home to Manchester United, and a day trip to Liverpool with a walking tour and ferry ride. STUDY TRIPS TO EXPLORE

ENGLAND AND WALES

As well as classes set in the beautiful English countryside, the courses all include study trips so students can explore the UK and practise their English.

The study trips are all tailored to the age and interests of our students, with effective systems in place to ensure their health and safety. All our staff conducting or supervising study trips have experience and training.

There is a strong focus on local culture and history. Worksheets are provided for students to complete during the excursions.

All trips and activities are included in the course price.

Students also gain entry to the famous Old Trafford football stadium, home to Manchester United: one of the world's most famous football clubs.

LEGOLAND AND THE SEA LIFE CENTRE (FOR AGES 8-11)

Legoland has over 55 rides and attractions where children can fly through the treetops, escape dragons, ride the rapids with a Viking fleet, and more. The Sea Life Centre is a real giant aquarium where children can see the underwater world, including sharks, jellyfish, turtles, seahorses and clownfish.

LIVERPOOL

The city is famous for the band The Beatles, and is home to Liverpool Football Club. Tate Liverpool on the waterfront houses British and international modern and contemporary art. Students learn about the city's history, both industrial and cultural, through a walking tour of the city and a ferry ride.

THE BRITISH

COUNCIL

Care of students and safeguarding under 18s are both areas of strength in our British Council inspection.

“There is a genuine commitment to student welfare across the organisation, including a detailed welfare manual, welfare managers at each centre and an explicit student welfare role for house supervisors.”
British Council

YOUNG LEARNER

ON-SITE

SENIOR MANAGERS

All our young learner schools have four on-site senior managers:

- › Centre Manager, who oversees all aspects of the school
- › Director of Studies, who is responsible for the quality of the programmes and teacher development
- › Student Welfare Manager, who ensures the students are having a great time
- › Activity Manager, who runs the learning and social trips and activities.

All senior staff have student welfare training every year, in addition to professional development.

TEACHERS,

ACTIVITY LEADERS

AND SUPPORT STAFF

All teachers have English language qualifications relevant to the courses they are teaching. The whole teaching team has a range of experience, knowledge and skills matched to the courses and the needs of the students.

The academic managers ensure day-to-day guidance and support for all teachers and they observe and monitor teachers' performance.

All our young learner staff have DBS checks and at least two references before they can work at our schools. We ensure a high number of our staff on site have first aid training.
